## About the Club...

The eSports Tabletop teaches 5th-8th grade students good internet etiquette, safety and team building. Students will be encouraged to carry these values with them whenever or wherever they game, in hopes of creating a foundation of strong morals within in-person and online game communities.

## What does your child need?

1. If they have a preferred controller or Nintendo Switch device they may bring it.
2. A good attitude and good sportsmanship.
